

script burn this lanford wilson

Script Burn This Lanford Wilson is a compelling work by the acclaimed playwright Lanford Wilson, known for his profound exploration of human relationships and the complexities of life. "Burn This" is one of Wilson's most celebrated plays, first staged in 1987, and it continues to resonate with audiences due to its raw emotional power and intricate character development. This article delves into the themes, characters, and significance of "Burn This," while exploring why it remains a vital piece of American theater.

Overview of "Burn This"

"Burn This" is set in New York City and revolves around the aftermath of a tragic event—the death of a young dancer named Robbie. The play primarily focuses on the relationships between the main characters as they navigate their grief, desire, and insecurities. The story unfolds over the course of a few days and invites the audience to witness the complex dynamics that emerge in the face of loss.

Plot Summary

At the heart of "Burn This" are five main characters:

1. Anna - A contemporary dancer grappling with her feelings for Robbie and the impact of his death.
2. Pale - Robbie's older brother, a brash and unpredictable figure who disrupts Anna's life after Robbie's funeral.
3. Larry - Anna's roommate and a struggling writer, who provides comic relief while also embodying the existential angst of the characters.
4. Judy - A friend of Anna's, who offers a contrasting perspective on relationships and life.
5. Robbie - Although he is deceased, his presence looms large throughout the play, influencing the actions and emotions of the other characters.

The play opens with Anna and Larry discussing the recent death of Robbie, setting the stage for the exploration of their grief. Pale's arrival marks a turning point, as he brings chaos and intensity into Anna's life. As Anna and Pale's attraction grows, the play delves into themes of passion, identity, and the struggle to move forward in the face of loss.

Themes in "Burn This"

"Burn This" is rich with themes that resonate deeply with audiences. Some of the most prominent include:

- Grief and Loss: The pain of losing a loved one permeates the play, shaping the characters' interactions and choices.
- Desire and Passion: The intense attraction between Anna and Pale serves as a focal point, highlighting the complexities of desire and its relationship to loss.
- Identity and Self-Discovery: Each character grapples with their own sense of identity, particularly as they confront their feelings about Robbie and their futures.
- Art and Expression: The world of dance and writing serves as a backdrop for the characters' emotional journeys, emphasizing the importance of artistic expression in coping with life's challenges.

Character Analysis

Understanding the characters in "Burn This" is crucial to appreciating the play's depth. Each character brings a unique perspective that enhances the narrative.

Anna

Anna is a complex character who embodies the struggle between grief and the desire for connection. As a dancer, she is passionate and driven, yet she also feels lost after Robbie's death. Her relationship with Pale forces her to confront her feelings and reevaluate her life choices. Anna's evolution throughout the play reflects the universal journey of coping with loss and seeking love.

Pale

Pale is a force of nature, characterized by his raw energy and emotional volatility. He represents the chaotic side of human nature, and his interactions with Anna reveal both vulnerability and aggression. Pale's struggle to process his brother's death and his subsequent attraction to Anna create tension that drives the narrative forward.

Larry

Larry serves as both a friend and a foil to Anna. His witty observations and existential musings provide insight into the struggles of young artists in New York. Through Larry, Wilson explores themes of ambition, insecurity, and the search for meaning in a world often filled with pain.

Robbie

Though Robbie never appears on stage, his presence is deeply felt throughout the play. He symbolizes the fragility of life and the impact of loss on those left behind. The characters' varying responses to Robbie's death highlight their individual coping mechanisms and the ways in which grief can shape relationships.

Production History and Impact

"Burn This" premiered Off-Broadway at the Playwrights Horizons in 1987 and quickly garnered critical acclaim. The original production featured a talented cast, including John Malkovich as Pale and Joan Allen as Anna. The play's success led to a Broadway run in 1988, further solidifying its place in American theater.

The impact of "Burn This" extends beyond its initial production. The play has been revived multiple times, each interpretation bringing new perspectives to Wilson's work. Notably, a 2019 Broadway revival featured Adam Driver as Pale and Keri Russell as Anna, sparking renewed interest in Wilson's writing and themes.

Why "Burn This" Remains Relevant

In an ever-changing cultural landscape, "Burn This" retains its relevance for several reasons:

- Universal Themes: The exploration of grief, love, and identity is timeless, resonating with audiences across generations.
- Complex Characters: Wilson's characters are intricately drawn, allowing for a rich exploration of human emotions and relationships.
- Artistic Expression: The play emphasizes the importance of art as a means of coping with life's challenges, a theme that continues to resonate with artists and audiences alike.

Conclusion

In summary, the **script Burn This Lanford Wilson** is a powerful exploration of the human experience, marked by its intricate character dynamics and universal themes. As audiences continue to engage with the play, it serves as a reminder of the enduring power of theater to reflect our lives, confront our fears, and celebrate our connections. Whether experienced in its original form or through modern revivals, "Burn This" remains a vital piece of American theater that invites us to confront the complexities of love, loss, and the search for meaning in a chaotic world.
