Script of Sleeping Beauty Story

The script of Sleeping Beauty story is one of the most beloved fairy tales in literary history, enchanting generations with its themes of love, destiny, and the battle between good and evil. Originating from various sources, including Charles Perrault's "La Belle au bois dormant" and the Brothers Grimm's "Little Briar Rose," the tale has been adapted into numerous forms of media, including ballets, animated films, and live-action adaptations. In this article, we will explore the various elements of the story, its characters, themes, and how it has evolved over time.

Overview of the Story

The story of Sleeping Beauty unfolds in a magical kingdom, where a beautiful princess is cursed by an evil fairy. The curse dictates that she will fall into a deep sleep upon pricking her finger on a spinning wheel before her sixteenth birthday. However, the curse is softened by a good fairy, who states that the princess will be awakened by the kiss of true love. The narrative follows the princess, her family, and the brave prince who ultimately comes to her rescue.

Key Characters

1. Princess Aurora: The protagonist of the story, also known as Briar Rose. She is a beautiful and kind-hearted princess who falls victim to the curse.
2. King Stefan and Queen Leah: Aurora's loving parents, who are devastated by the curse placed on their daughter.
3. Maleficent: The main antagonist, an evil fairy who curses Aurora out of spite for not being invited to her christening.
4. Flora, Fauna, and Merryweather: The three good fairies who take care of Aurora and try to protect her from the curse.
5. Prince Phillip: The valiant prince who defeats Maleficent and awakens Aurora with his kiss.

The Curse and the Prophecy

The tale begins with a grand celebration for the birth of Princess Aurora. The kingdom is filled with joy, and the king and queen invite all the fairies to bless their daughter. However, they overlook one dark fairy, Maleficent, who arrives uninvited. Angered, she curses the baby—stating that on her sixteenth birthday, she will prick her finger on a spinning wheel and die.

The good fairies, Flora, Fauna, and Merryweather, intervene to soften the curse. They declare that

instead of dying, Aurora will fall into a deep sleep for a hundred years, only to be awakened by the kiss of her true love.

Life in Hiding

To protect Aurora from the curse, the three fairies take her to live in the forest, away from the kingdom. They raise her as their own, naming her Briar Rose. Although she is unaware of her royal lineage, she grows up as a cheerful and carefree girl, exploring the woods and befriending animals.

- Childhood Adventures: Aurora's days are filled with laughter, singing, and friendship with the fairies and the creatures of the forest.

- The Prophecy: As her sixteenth birthday approaches, the fairies decide to tell her the truth about her heritage and the curse.

The Fateful Day

On the day of her sixteenth birthday, Aurora is drawn to an old castle deep in the forest, where she encounters a spinning wheel. Unbeknownst to her, this is the very object that will fulfill Maleficent's curse. As she pricks her finger, she falls into a deep slumber.

The Kingdom in Grief

After Aurora falls asleep, the kingdom is plunged into despair. King Stefan and Queen Leah, heartbroken over their daughter's fate, order all spinning wheels in the kingdom to be destroyed. The once-vibrant castle becomes a place of mourning, and the good fairies cast a spell over the castle, allowing it to be hidden away from the world.

- The 100-Year Sleep: As time passes, a thick forest grows around the castle, protecting Aurora from prying eyes.

The Prince's Quest

Years later, a brave prince named Phillip hears tales of the beautiful sleeping princess. Determined to find her, he ventures into the enchanted forest. With the help of the three good fairies, he learns about the curse and the only way to break it.

The Battle with Maleficent

Upon reaching the castle, Prince Phillip confronts Maleficent, who transforms into a fearsome dragon to stop him. A fierce battle ensues, with Phillip bravely fighting to save Aurora.

- Weapons of Love: The fairies provide him with magical weapons, allowing him to defeat the dragon and break through the thorns surrounding the castle.

The Awakening

After vanquishing Maleficent, Prince Phillip makes his way to the sleeping princess. He leans down and kisses Aurora, and the spell is broken. Aurora awakens, and the two share a heartfelt moment, realizing that they are destined to be together.

The Celebration of Love

With the curse lifted, the kingdom rejoices. Aurora is reunited with her parents, who are overjoyed to have their daughter back. The castle is filled with laughter and celebration as the kingdom comes together to honor the true love that saved the princess.

- A Grand Wedding: The story concludes with the wedding of Aurora and Prince Phillip, marking the beginning of their happily ever after.
