Origins of the Manga

The "Shinji Ikari Raising Project" was created by Takashi Hashiguchi and was serialized in the magazine "Shōnen Ace" from 2001 to 2007. It is based on the iconic anime and manga series "Neon Genesis Evangelion," originally created by Hideaki Anno. Concept and Setting

The premise of "Shinji Ikari Raising Project" revolves around the idea of Shinji being raised in a nurturing environment, contrasting sharply with the often bleak and psychologically intense atmosphere of the original series.
