Understanding the Cold War

The Cold War, which lasted from the end of World War II in 1945 until the dissolution of the Soviet Union in 1991, was characterized by a geopolitical struggle between the capitalist West, led by the United States, and the communist East, led by the Soviet Union. This era was defined by several key features:

- **Ideological Conflict:** The clash between capitalism and communism.
- **Arms Race:** A competition for military supremacy, particularly nuclear weapons.
- **Proxy Wars:** Conflicts where both superpowers supported opposing sides.
- **Espionage:** Intense intelligence gathering and covert operations.

Understanding these elements is crucial for solving crossword puzzles related to the Cold War.
