Background and Context of the Memoir

The country under my skin a memoir of love and war Gioconda Belli is set against the backdrop of Nicaragua's political upheaval in the 1970s and 1980s. The country endured decades of dictatorship under the Somoza family, which incited widespread resistance and culminated in the Sandinista Revolution. This memoir captures that historical moment through the eyes of a young revolutionary deeply involved in the struggle for justice and democracy.

Historical Setting

The memoir situates itself in the context of the Somoza dictatorship, a period marked by repression, corruption, and inequality. The Sandinista National Liberation Front (FSLN), the revolutionary group Belli joined, sought to overthrow the regime and implement social reforms. The narrative chronicles the intense political activism, clandestine operations, and the emotional toll of fighting for change during this era.

Political and Social Environment

The social environment portrayed in the memoir is one of tension and hope. Nicaragua was plagued by poverty and injustice, but also by a vibrant revolutionary spirit. Belli describes the intersections of gender, class, and politics that shaped the movement, emphasizing the role of women in the revolution and the challenges they faced within a traditionally patriarchal society.
