Types of Rituals Associated with Initiation

Different traditions employ various rituals during initiation. Some common types include:

- **Purification Rituals:** These rituals often involve cleansing the initiate of negative energies or past traumas, creating a blank slate for their new journey.
- **Symbolic Death and Rebirth:** Many initiation ceremonies include a symbolic death, representing the shedding of old identities and the emergence of a new self.

A clear and focused intention can amplify the effectiveness of the ritual, allowing individuals to tap into the energies and intentions of the universe. Practitioners are encouraged to cultivate mindfulness and clarity as they engage in rituals, ensuring that their energies align with their desired outcomes.
