Plot Summary

"Mockingjay" picks up where "Catching Fire" left off, with Katniss recovering from the traumatic events of the Quarter Quell. After being rescued from the arena, she finds herself in District 13, a secretive and militarized district that has been preparing for war against the Capitol. As she grapples with her new reality, she learns about the devastation that has befallen her home, District 12, and the loss of her loved ones.
