

the mckimmon conference and training center at nc state

The McKimmon Conference and Training Center at NC State is a premier facility dedicated to providing exceptional meeting, training, and educational experiences. Located on the campus of North Carolina State University in Raleigh, the McKimmon Center has become a hub for professional development, conferences, and community engagement. With its state-of-the-art amenities and versatile spaces, it plays a significant role in fostering learning and collaboration among individuals and organizations.

History and Development

The McKimmon Conference and Training Center was established in 1992, named after Dr. James McKimmon, a significant figure in North Carolina's educational landscape. Dr. McKimmon was instrumental in advancing extension education and outreach programs, which laid the foundation for the center's mission. Over the years, the facility has undergone several expansions and renovations to meet the growing demand for conference and training spaces.

- Key Milestones:

1. 1992: Opening of the original facility.
2. 2001: Major expansion to accommodate more events and services.
3. 2010: Introduction of advanced technology and renovation of existing spaces.
4. 2020: Implementation of sustainable practices and enhancements to improve energy efficiency.
