

wave a memoir of life after the tsunami

Wave: A Memoir of Life After the Tsunami is a profound exploration of resilience, heartbreak, and the indomitable human spirit in the face of overwhelming disaster. The memoir details the life of its author, whose existence was irrevocably altered by one of nature's most devastating forces. Through vivid imagery and poignant storytelling, readers are taken on a journey that reflects the struggle to rebuild not just homes, but lives and communities after such a catastrophic event.

The Tsunami: A Day That Changed Everything

The memoir opens with a harrowing account of the tsunami itself. On that fateful day, the world as the author knew it was swept away in an instant. The chaos and confusion of the moment are captured with striking clarity.
