

we own a zoo true story

We own a zoo true story is an inspiring tale that captures the essence of family, resilience, and the love for animals. This fascinating narrative revolves around the journey of the Mee family, who took on the monumental task of running a zoo in the face of adversity. Their story not only highlights the challenges of zoo management but also emphasizes the deep bond between humans and animals, showcasing the lengths to which people will go to fulfill their dreams and make a difference in the lives of creatures that cannot speak for themselves.

Background of the Mee Family

The Mee family, consisting of Benjamin, his wife, Kelly, and their children, had always shared a passion for wildlife. The couple's love for animals began in their childhood, fostered by trips to local zoos and wildlife parks. As they grew older, they often fantasized about owning a zoo and providing a safe haven for animals in need.

However, life took them on a different path. Benjamin worked in the corporate world while Kelly took care of their children. The family's life was comfortable, yet they felt an emptiness, a yearning for something more meaningful. This longing led them to take a leap of faith that would change their lives forever.

The Decision to Buy a Zoo

In 2006, the Mee family stumbled upon an opportunity that would ignite their dreams. They learned that a struggling zoo in their area was up for sale. The zoo, which was home to a variety of animals, had fallen into disrepair and was in dire need of new management.

Factors Influencing Their Decision

Several factors contributed to the Mee family's decision to purchase the zoo:

1. **Passion for Animals:** Their lifelong love for animals fueled their desire to create a better environment for the creatures housed in the zoo.
2. **Community Impact:** The Mee family wanted to restore the zoo to its former glory, providing educational opportunities for the local community and a safe haven for animals.
3. **Desire for Change:** The family's corporate lives felt unfulfilling, and they sought a venture that would bring them closer together as a family.
4. **Adventure:** The idea of running a zoo was both daunting and thrilling, offering a new adventure that could transform their lives.

Ultimately, the Mee family decided to take the plunge, purchasing the zoo and embarking on a journey filled with challenges, triumphs, and unforgettable experiences.
